HEANEY AND PARTNERS

BRIEF FOR

Heaney and Partners are in need of a new website, this will be fully responsive and built on SS4 .

This document is an overview of the key areas of functionality and page types for this site.

3	Home Page
4	Navigation
5	Content Blocks
6	Team Holder
7	Team Page
8	Blog (News & Cases)
9	Our Expertise
10	Contact

SITE MENU

The burger menu will open up the menu (see next page).

MAIN BANNER

The main banner will be an image upload only (no need for slider).

THE PARTNERS

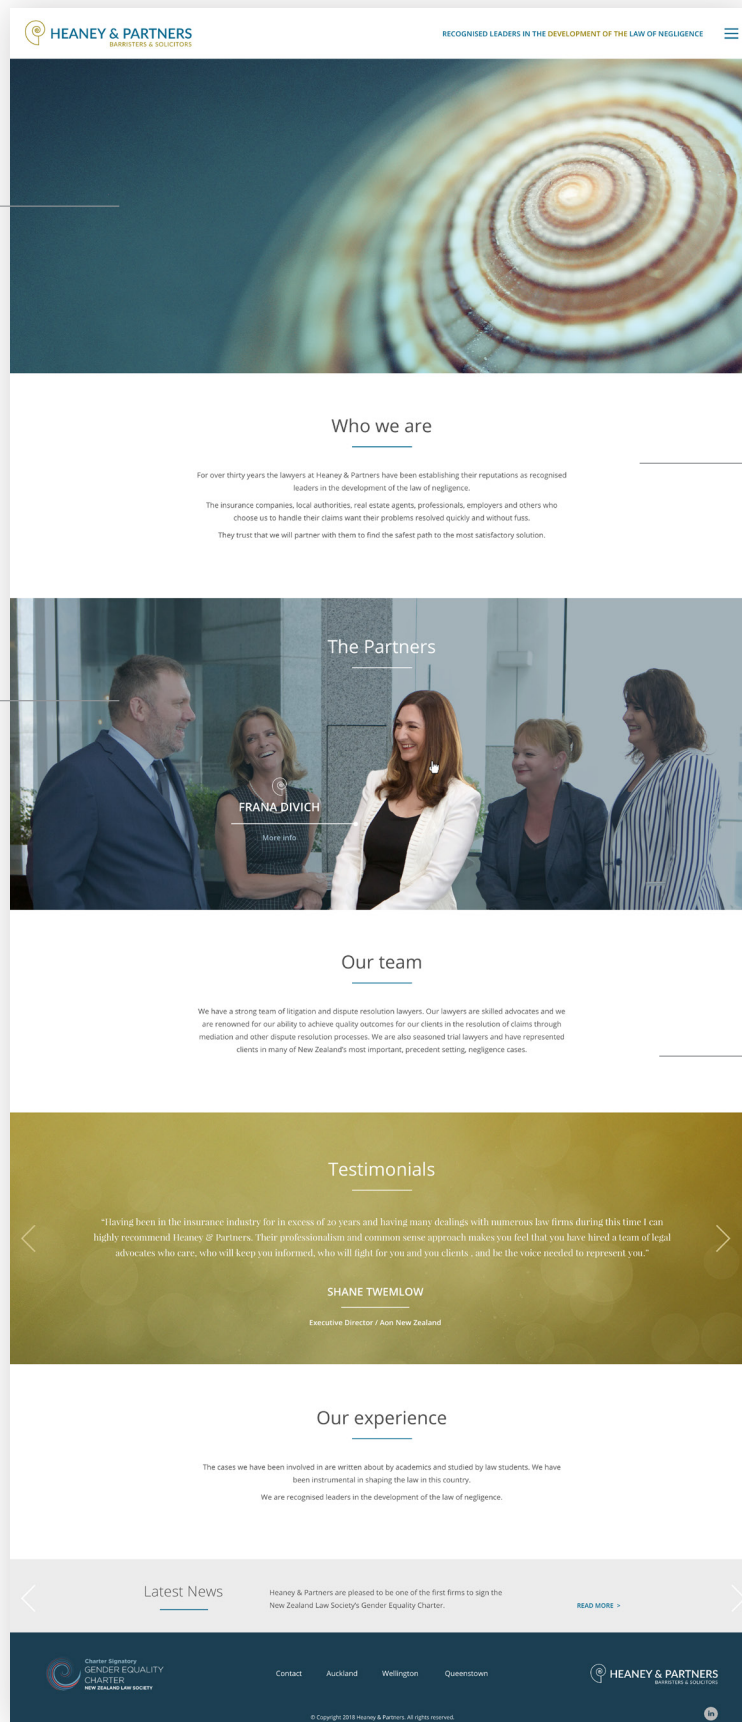

This panel can be hard coded, the 'more info' will link off to each of the partners profile pages.

When a user hovers over the partners, their image will come in to focus and the others will fade out.

LATEST NEWS

The latest news will display the summary of the four latest news items in a slider. These will automatically pull in and if a user clicks 'read more' they will be taken to the associated news article.

(this will be on all pages)

PAGE INTRODUCTION

The page introduction will use a WYSIWYG and will display below the banner.

CONTENT BLOCKS

Following the partners section will be the content blocks (see page 5 for more information).

Examples of these blocks on this page include:

Text Block (Our Team)

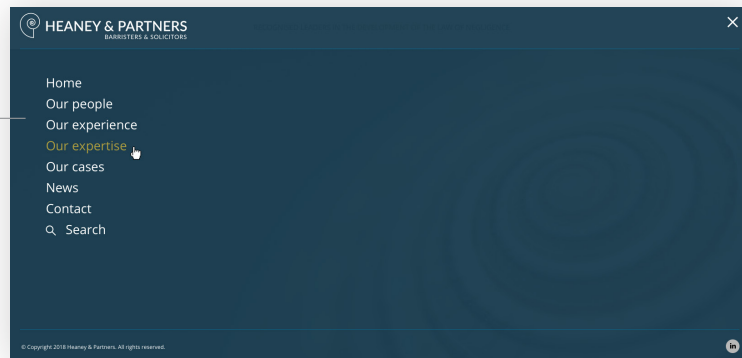

Slider Block (Testimonials)

Text Block (Our Experience)

NAV ITEMS

The main navigation on the site will display all items visible on the site tree.

It will also contain a search field where the user can search the site using default ss site search, on submit, this will take the user to the search page with the search term already filled out.

MENU HEADER

'X' top right so that the user can close the menu.

There will also be a reversed logo, top left.

FOOTER ITEMS

Logo/

Charter signatory logo to have an external link (new tab), this can be set under site settings.

Nav items/

Under page settings, there should be a toggle to 'show in footer'

Copyright/

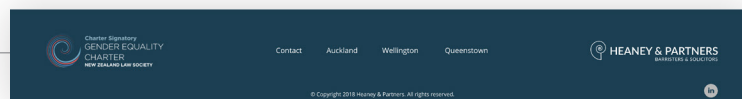

To be set under 'site settings'

Logo/

To use reversed logo, if a user clicks on this, it will link home.

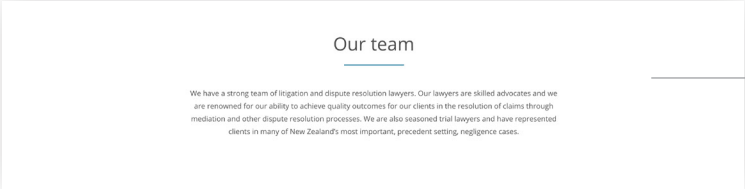

Social Media/

Linked in link can be set under site settings.

Content blocks will have the ability to be linked between pages and the client will have the ability to create, delete and drag / drop to reorder.

These need to be included on the 'generic' page template below a banner.

TEXT BLOCK

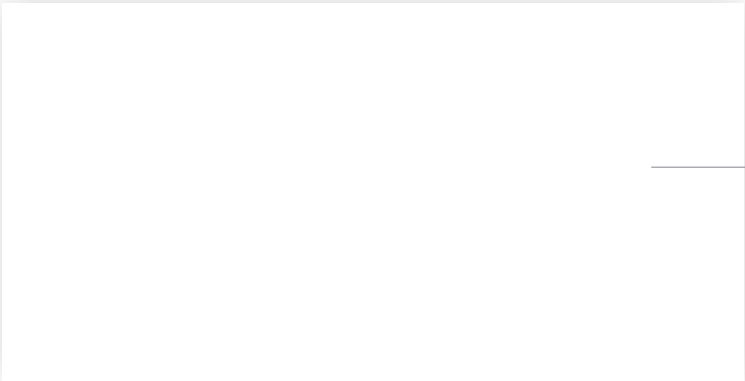

The text block will be a plain WYSIWYG.

SLIDER BLOCK

The slider block will have a background image and a WYSIWYG on top.

If only one slide is loaded, the arrows will not show.

Person, title to be an additional (optional) field per slide.

VIDEO BLOCK

The video block will pull videos in from youtube (via ID) Similar to pinc and steel.

MAIN BANNER

The main banner will be an image upload only (no need for slider).

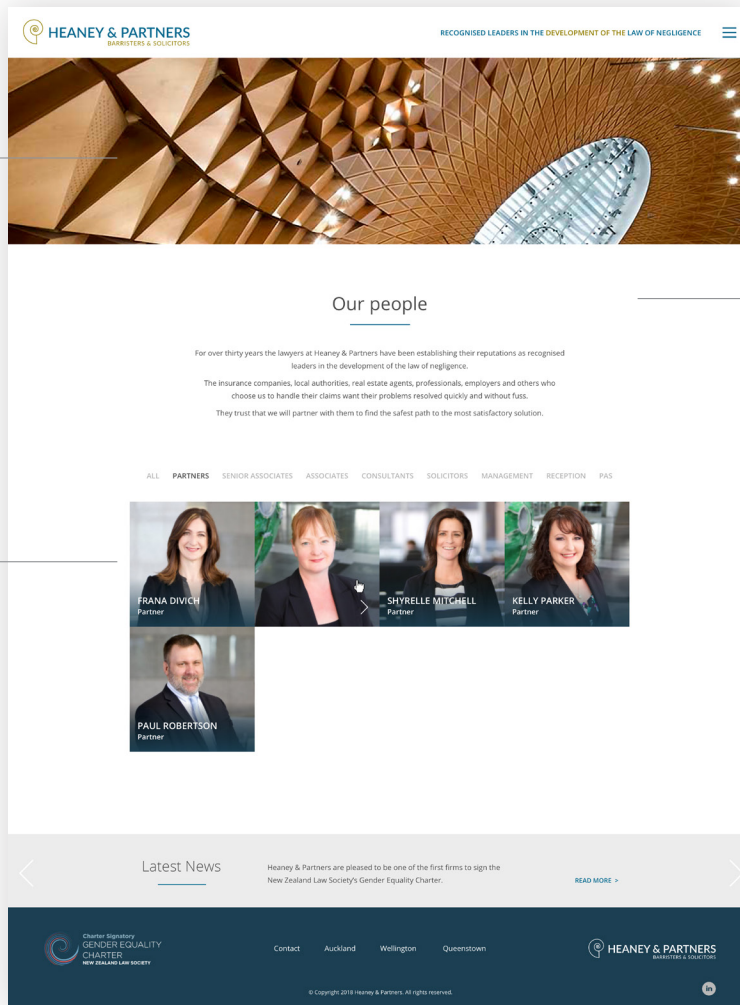

THE PARTNERS

Partners will be categorised in sections. These will automatically pull in from the partners that have been loaded to the CMS.

A user will be able to filter these without the need of refreshing their page.

On hover, the gradient, name and title will transition out and an arrow will show.

When a user clicks on the partner block, it will take them to the partners page that they have clicked on.

PAGE INTRODUCTION

The page introduction will use a WYSIWYG and will display below the banner.

TEAM PROFILE

A team profile will consist of:

/ Banner (optional)

/ Image

/ Name

/ Title

/ DDI

/ Mobile

/ Email

/ PA (this will be linked from another profile)

/ Bio

TEAM PAGINATION

This will be pagination to the person before / after in the section they were viewing. In the middle will be an option to take the user back to the 'our people' page (preferably with the filter they were on, if selected)

The screenshot displays the Heaney & Partners website. At the top, the logo and tagline 'RECOGNISED LEADERS IN THE DEVELOPMENT OF THE LAW OF NEGLIGENCE' are visible. The main content area features a team profile for Kelly Parker, a Partner with a BA and LLB. Her contact information includes two phone numbers (09 367 7028 and 027 278 4357) and two email addresses (kelly.parker@heaneypartners.com and marian.ryan@heaneypartners.com). A bio section follows, detailing her education at the University of Auckland and her career path from 2007 to 2014. Below the bio, a 'Recent case involvement' section lists six cases with their dates, titles, and brief descriptions, each with links to view the summary or download the full document. The cases include Manchester Securities Limited v Auckland Council (WHT), Body Corporate 160361 v BC 2004 Limited (Fleetwood Apartments) (No 2) (HC), Negligence is a nuisance!, Johnson v North Shore City Council (CA), Lee Findlay Family Trust v Auckland Council (HC), and Johnson v North Shore City Council (CA). At the bottom of the page, there is a 'Latest News' section and a footer with contact information and a copyright notice for 2018.

CONTENT BLOCKS

Most partners won't use content blocks, but we need the option to include them above 'recent case involvement'

RECENT CASES

This section will sit below the partners profile.

It will automatically pull in all cases that they have been tagged against.
